YEAR 3 WEEKLY LEARNING

This week

English

The children have a fantastic opportunity to take part in our exciting Pen Pal Programme, allowing them to connect with children from another school and build new friendships through the joy of letter writing. This week, the children wrote their very first letters to their Pen Pal friends, introducing themselves and sharing a little about who they are, what they enjoy doing, their favourite toys and games, and their favourite colours. As we are exchanging our first letters in the lead-up to Christmas, the children also got creative by making beautiful Christmas cards and writing thoughtful festive messages to their new friends. The children have thoroughly enjoyed this experience and are very excited to be part of such a special project! Through the programme, they will have the opportunity to develop their writing and communication skills, practise expressing their thoughts and ideas, learn about similarities and differences, and discover more about the world beyond their own classroom. Most importantly, they will learn the value of friendship, kindness and making connections with others. We cannot wait for the children to receive their first replies and continue this wonderful journey together!
