Summer Term

Pupil Voice

Meet Maple Class's new pupil voice representatives!

Christmas Cards

I know what you're all thinking...it is far too early to be mentioning Christmas! However, the company we use as a school to produce your child's lovely artwork, needs to be submitted sooner rather than later. The order forms will be sent out next week, and we ask these be returned as soon as possible if you would like to purchase.

Sewing Mention

Elly-Ann has worked very hard on her sewing project. She has designed a beautiful cat inspired bag.

STAR LEARNER

Star learner has been awarded to **Ronnie**.

Ronnie has worked incredibly hard and independently this week. He can find 1, 10, 100 or 1000 more or less of a number and use alliteration pairs in English.

Well done, **Ronnie!**

Important Messages

Swimming:

This week we have discussed behaviour during swimming. Although the children are happy and having lots of fun, please may I remind all children that their behaviour while swimming/ getting changed for swimming and listening to their swimming adults are incredibly important.

Year 4 have swimming on Wednesday afternoons starting at 13:10. We would be really grateful to have some DBS checked parents/carers to help supervise. If you're available, please do let me or the office know.

Thank you.
