

YEAR 6 LEARNING NEWS

Learning Highlights

This week we have chosen our new Pupil Voice class representatives - congratulations to Trace, Emily and Rohaan, Mrs. Denyer is looking forward them helping to make the school more sustainable.

Many members of year 6 have been helping at lunchtimes looking after Chestnuts class while they play in the woods. It is wonderful to see the children setting good examples to the rest of the school. Well done Year 6.

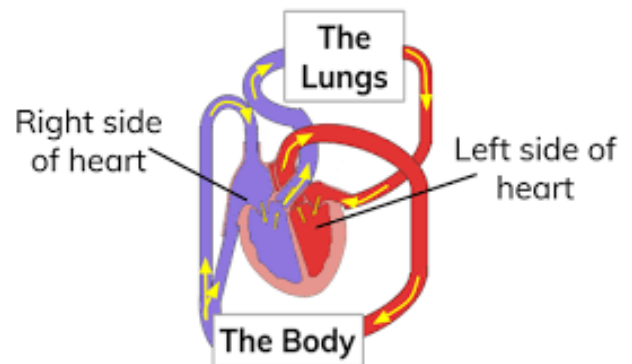

Clubs are well underway and it is great to see so many Year 6s taking part. Do not forget all year children are invited to attend Multisports on a Tuesday afterschool. Please let me know if you want to join in.

On Thursday 13th October, Year 6 will be spending the day at Jubilee High School. We will spend the day doing some history, English, dance and drama. During the afternoon the children will put on a performance for parents in the theatre. Parents are invited to arrive at JHS reception at 1.45 for the performance at 2pm. It will be finished by 2.45pm. I will send more details next week.

Issue No 4 Autumn Term
30th September 2022
01932 842785

In science, we have started to learn about the human circulatory system. We revised our learning about the skeleton and the digestive system and started to consider how all the systems in our bodies work together.
