

# Ongar Place Nursery News

Ongar Place Primary School, Addlestone, Surrey, 01932 842785

14th October 2022

## Healthy Eating Week

This week, we have enjoyed reading *The Story of the Very Hungry Caterpillar* and have looked at healthy foods. We sorted food into groups (e.g. by colour and size), washed vegetables in the water tray, made bubble wrap apple prints, did mark making with carrots, constructed fruit and vegetables with playdough and did some vegetable printing. We made caterpillar potato prints too. One of the highlights of the week was making fruit kebabs with straws.

## Feeling Good Week

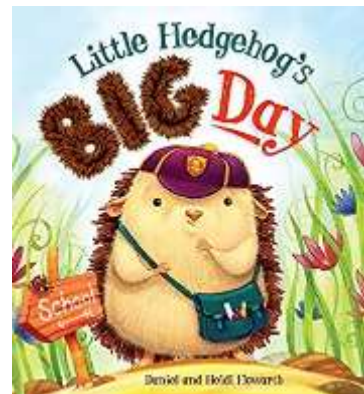

We made cards for our friends and decorated biscuits to give to our families.

## Next Week

*Next week we will be moving onto our Autumn topic.*

*Our book focus will be: Little Hedgehog's Big Day*

We even played with coloured spaghetti.

On Friday afternoon, some of the Nursery children attended the Harvest assembly.

## Information for Families

Please could you continue to bring in bottled water for your children. This year, we are introducing a new Phonics scheme called Little Wandle. This will be used across the school from Nursery to Year 6. More information will come in due course. We are always available for a chat. Many thanks for your continued support.
