11th November 2022

Nursery Activities and Play

This week we have created fire engines using different outside resources. We talked about why firefighters need to wear protective clothing and we made pictures of fire engines.

We used hoops to measure distance and compared how far each hoop travelled. Everyone enjoyed the challenge and shared ideas on how the game could be changed. Together they created a new game which involved recognising numbers.

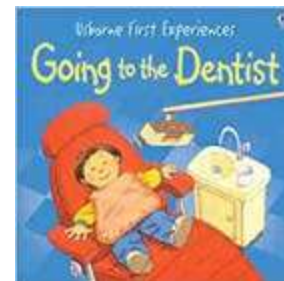

This week's topic has really taken the children's interest. They have enjoyed working together and taking on the different roles of firefighters.

Next Week

Next week we will be continuing with people who help us. Our main focus will be learning about Doctors and Dentists.

Our book focus will be:

Information for Families

Next week we will be learning how different people help the community and looking at different roles and responsibilities by getting into different characters.

Next week Mrs Pirie will be holding a workshop on Little Wandle. It will be held on Wednesday 16th November at 9a.m in the School Hall. All parents are welcome.

We are always available for a chat if you have any concerns.

Many thanks for your continued support.
Wishing you a lovely weekend.

The Nursery Team
