18th November 2022

Nursery Activities and Play

Our theme this week has been 'Dentists and Doctors'. We have talked about how doctors and dentists help to keep us healthy. We listened to a story about Alan the alligator and practised brushing his teeth with brushes and shaving foam! We also pretended to be doctors and nurses in our hospital role play area.

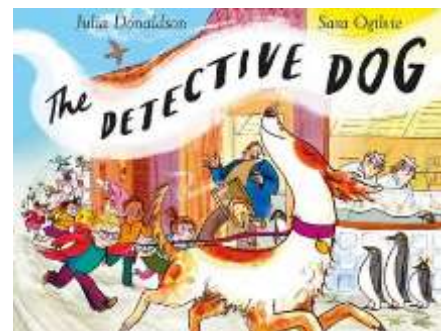

This week we began our Little Wandle phonics sessions. We learnt the phoneme 's' and how say it. We were very good at making the sound and thinking of object that begin with 's'.

Next Week

We will continue to learn about people who help us by thinking about the role of police officers and police dogs. We may even try to train Amber to find hidden objects the way police dogs can!

Our book focus will be:

Information for Families

At Ongar Place, we have an active PTFA who organise events for the children and help to fundraise. Our Nursery parent rep on the PTFA is Rachael Mogg. There is also an Ongar Place Nursery PTFA facebook page that you might like to look at.

Please remember to send your child in with a warm, waterproof coat and a change of clothes. The children will be playing outside each day and there may be occasions that this means they may need a change of clothes.
