## Nursery Activities and Play

Welcome back and Happy New Year!

Our topic this week has been 'Winter'. During Circle time, we talked about the signs of Winter and the importance of keeping warm. We chatted about the different clothes that we wear in Winter. We also listened to a story about the Gruffalo's Child and made some masks of the characters.

We loved exploring, mixing and melting ice in the tray. We filled cups, pots and bowls with ice and watched it turn to water.

We matched pairs of mittens, made repeating pattern scarves, created Snowflake paintings, used rollers to make Winter pictures and made an assault course outside.

In phonics this week, we have learnt the phoneme 'm'.

## Next Week

*We will continue to learn about Winter and develop our knowledge and understanding of the season.*

*Our book focus will be: Lost and Found by Oliver Jeffers*

## Information for Families

This term, we have started our Book Swap scheme. Please take a picture book from the outdoor library to enjoy with your child and please return it before choosing a new one.

If your child has had a WOW moment or achieved a goal at home, such as helping friends or family, being independent in a specific area etc, then you can record it on a WOW moment slip that the Nursery will provide and place outside the Nursery gate from next week. We can then add these slips to our WOW moments board.

Due to allergies, please could we ask that you do not put foods containing nuts in packed lunch boxes.

Many thanks and have a great weekend.  
The Nursery team ☺
