

# Ongar Place Nursery News

Ongar Place Primary School, Addlestone, Surrey, 01932 842785

27<sup>th</sup> January 2023

## Nursery Activities and Play

The children have been learning about Arctic animals this week.

We have made tissue paper penguins, cotton wool polar bears, matched young and old animals together, made 2D shape penguins, created animal tracks with white glitter paint and card and constructed animal homes with coloured blocks and cubes.

We enjoyed playing and exploring in our Winter tuff trays and used magnifying glasses, binoculars and other resources too.

We even made our own Winter Wonderland for the Arctic animals.

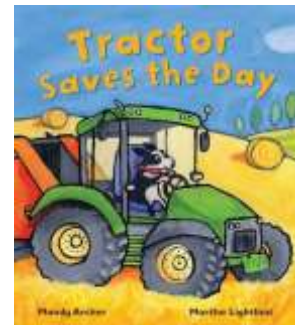

We also loved colour mixing with our hands and talked about the new colours that can be made from mixing the primary colours together.

In phonics this week, we are learning the phoneme 'g' and have enjoyed sound games and stories in the library.

## Next Week

We are looking at Transport and will be thinking about the different ways that we can travel around.

Our book focus will be: *Tractor Saves the Day*

We took some of the Winter animals on a journey in our vehicles too.

## Information for Families

Next week is Family Week and we hope that you can join us either on Tuesday 31<sup>st</sup> January or Thursday 2<sup>nd</sup> February from 2-3pm.

We hope you have a lovely weekend.  
Thank you again for your support.

The Nursery team. ☺
