30<sup>th</sup> June 2023

## Dear Parents,

This week we have been very much looking forward to next year. All children moved up to what will be their new classroom next year and met their teachers and some of the teaching assistants who will be with them. Everyone seemed to enjoy the mornings and they all looked like they belonged in the new year groups! Year 6 spent time in the new schools they will be going to in September. They all came back with reports about how much they enjoyed their time away but quickly settled back into Year 6 and have been very busy rehearsing for the school production. Mrs Brill and Mrs Mount were also very busy meeting the parents of our incoming Chestnut class. If anybody has any questions or queries regarding next year don't hesitate to contact me. Have a wonderful weekend, Mrs Good

## Staffing News

It appears that every week I have new staffing news. Having had very little staff turnover in my ten years here suddenly everyone is finding new and exciting opportunities. At the end of term Miss Meyer will be leaving us – she will be going to work at Philip Southcote School with older children. Mrs Denyer will also be leaving as she wants to focus on her Forest School work. We wish both of them the very best as they move on.

## Cheerleading

On Wednesday morning a group of 6 Year 5 girls travelled to Silvermere Gymnastics and Cheerleading Academy to take part in a Cheerleading workshop. The children worked very hard in a group with another school. They moved around different stations and by the end of the morning they were able to show off a fantastic routine.

The girls who took part, Florence, Poppy, Rhea, Rosie, Chloe and Alice H, all said that they would love to have another go!

## Quad Kids-Thursday 29th June

On Thursday 10 children from Key Stage 2 travelled to ACS Cobham to take part in the ERPSSA Quad Kids Competition.

This is an athletics event rather like the decathlon or heptathlon but with the children taking part in 4 events and scoring points according to their performance. The events are 75m, 600m, standing long jump and vortex throw.

The standard of competition was extremely high with the other the teams being drawn from much larger schools. So, the result of 6th out the 7 teams represents a pleasing result.

There were some fantastic individual performances. Special mention must go to 2 children.

Firstly, Arthur who was placed 3rd overall-amazing result to perform so well across all 4 disciplines. Secondly, Octavia who is in Year 3 and was competing at the last minute against children mainly drawn from Year 6-she did a fantastic job and achieved great results.

The rest of the team was Lily M, Izzy W, Freya, Mia, Oliver, Blake, Jamie and Isaac. Thank you to the parents who helped with transport and many of whom stayed to watch what was a great event.

Captivating, engaging and loud are just a few words that could be used to describe the **Year 1 assembly** on Thursday morning. It included an energetic and thorough look at the Great Fire of London followed by a rendition of London Burning. The audience was ablaze with congratulations at Year 1's talent! Well done Year 1, Mrs Masey and Mrs Pirie.
