Dear Parents

It has been a very busy week this week with lots of events taking place and some exciting learning being finished off.

Lots of tired children and adults this Friday but a couple of early nights should see us all powering through to the finish next week! Have a great weekend. Mrs T L Good

Year 5 and 6 Production

What a fantastic two evenings of song, drama and dance we had at Jubilee! The Year 5 and 6 production of The Pirates of the Curry Bean was a wonderful occasion. It was clear that the cast and the audience enjoyed themselves enormously. It was lovely to see everyone taking part and working together to produce some memorable moments for us all. Thank you to all the parents, grandparents and friends who came, thank you to the cast for rehearsing so hard and behaving so well, thank you to Jubilee for lending us their theatre and finally an enormous thank you to Miss Watts and Mr Knott and the Year 5 and 6 team for putting together yet another wonderful show. Same time next year?

Today we will be issuing **school reports** to the children. These should come home in a sealed envelope. Teacher take a long time writing the reports and I hope that you can recognise the year your child has had and their social and academic achievements. There is a slip that should be completed to say you have received your child's report and to make any comments. This needs to be returned to the office by the end of term. If parents live at different addresses reports will be sent after school, by post to the address the child is not returning to tonight. For any child who is not in today the report will be held in school until Wednesday and then be sent by post.

Chess Tournament

Ongar Place Chess Club Update: Ongar Place hosted its first ever chess match on 13/07/23 in the school hall against Holy Family. We had 22 players take part from Year 2 to Year 6. A strong Holy Family side with pupils from Year 3 to 6 edged the contest by 110 points to 100 in a very close contest played over three rounds.

Many of our players won matches and also played some friendly games so that all of our players got some game time. There will be more matches in future and our younger pupils will really benefit from starting Chess in Year 2. Congratulations to Jack for being the player of the tournament.

The Summer term Wednesday morning tournament was won by Tyler closely followed by Harry, Rhea, and Trace. Zakariya won the spirit of chess award. The club has gone from strength to strength, well done to all our players.
