

## Highlights of the Week

Welcome to Year 6! It is fantastic to see all the children back in school and they have settled into the new classroom and routines quickly - despite the heat!

We have had a great week and the class have amazed me with their confidence, even when faced with SATs papers.

Over the next couple of weeks, we will be sorting out lots of responsibilities for the children.

Letters of application for School Ambassadors must be handed in by **Monday**.

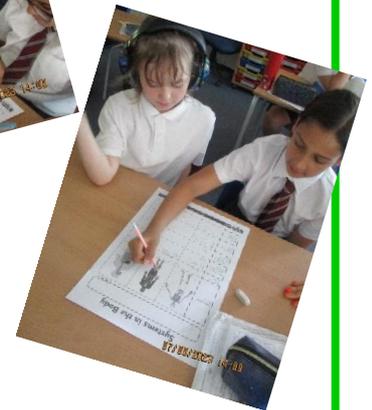

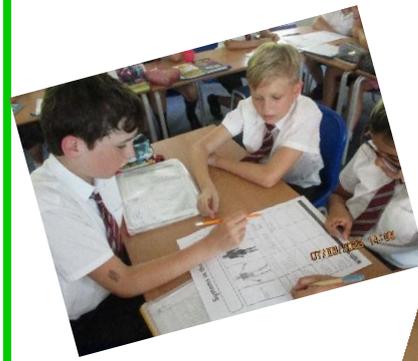

House Captain elections will take place on **Thursday 14<sup>th</sup> September**.

After these we will sort out pupil voice, digital leaders and librarians.

There are plenty of opportunities for all the year 6 children to take on extra responsibilities around the school.

Issue No 1 Autumn Term  
8<sup>th</sup> September 2023

In science, we have started to look at the human circulatory system. We reviewed other systems in our body and found out about the structure of our hearts.
