15th September 2023

Learning Journey

We've had another fantastic, busy week in Year 1. The children enjoyed their first swimming lesson on Wednesday and their PE lesson with Mr Good.

In Science this week we started to explore different materials. The children then sorted them into the different groups and explained how they sorted them.

In Maths we have been busy counting and representing numbers to 10 in different ways. The children even used tweezers to count out objects carefully.

We have been reading the Three Little Pigs this week. Children have enjoyed acting the story out and also using their phonics to write lists about what materials the pigs need to build their houses. This has linked nicely to our Science and our topic this term which is Houses and Homes.

Star Learners

A huge well done to **Willow** for working very hard in all of her learning and challenging herself!

Little Wandle

We started Little Wandle this week and the children should now each have their own Little Wandle book and a library book to share at home. As part of our home learning children are expected to read their Little Wandle book 5 times a week. These will be changed on Fridays.

Please also remember to keep these books and their reading diaries in their bags every day.

Information for Parents

Wednesday 11th October

Harvest Assembly 2.30pm

(Children can be collected to go home straight after)

We will be starting 'Show and Tell' on Friday afternoons. The First group next Friday will be **Blue group** (Dhiyaani, Ellsee, Molly H, Oscar J, Ryan and Eden).

Please encourage your child to bring in something special to them or something they've created and would like to talk about. Children don't have to take part if they don't want to.
