Nursery Activities and Play

It has been a busy week in Willow class and the children all seem so confident now, it's hard to believe it is only the second week for lots of us. We especially loved our visit from Amber, the school dog.

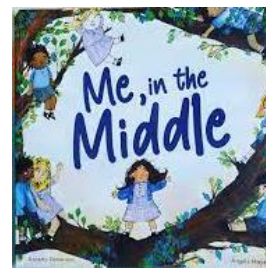

Lots of our learning was based on the book 'Owl Babies' this week. We read the story and we made our own owl babies using stones, cotton wool and paint. We also went to the woods and collected lots of things to use to build nests. We found lots twigs and leaves and took them back to class to make nests.

Every week we have a music session with Mrs Meyer in the music room. We have great fun learning new songs and responding to music.

Next Week

Next week our book focus will be 'Me in the Middle'. It is a book all about families and it would be wonderful if children could bring in a photograph of their family (though nothing too precious).

Top Tip

Label all your child's belongings that they take into Nursery. It makes reuniting lost things with the correct child much easier!

Information for Families

Our Nursery parents' coffee morning will be on Wednesday 20th September from 9am until 10am in the school hall. All Nursery parents are welcome to come along.
