

Year One Learning Letter

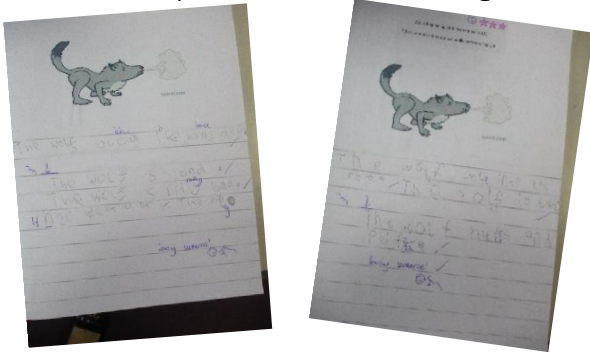

Ongar Place Primary School, Addlestone, Surrey 01932 842785

22nd September 2023

Learning Journey

What lovely learning we have completed this week. In English we have been working hard on writing sentences and talking about what forms a sentence. The children were good at planning their sentence before they wrote it and sounding the words out really carefully. Here are some examples of fantastic sentences they wrote about the big bad wolf.

In Art, we have been exploring different lines and patterns. Here is some of our art work from this week where we explored using water colours and different lines.

On Wednesday it was National Fitness Day. We talked about what keeps us fit and healthy and set ourselves a challenge to do two laps of the playground every day for one month. 3 days down, 27 to go!

Star Learners

A huge well done to **Karo** for being a fantastic Ongar learner and pushing himself in his work and trying his best all the time!

Little Wandle

Just a quick reminder to please make sure you are reading with your child 5 times at home and keep reading diaries in their book bags so that they are in school each day. Well done to those who have!

Also sadly we've already had a few damaged books returned this week. The school policy is that parents are expected to replace any damaged Little Wandle books. Please be careful with water bottles in book bags.

Information for Parents

Wednesday 11th October
Harvest Assembly 2.30pm
