Learning Journey

The children have really enjoyed swimming over the last couple of weeks and thank you so much to the parents who kindly give up their time to help. We really do appreciate it.

In Science, we have been exploring which materials are water resistant and which ones are not. We talked about which materials would be best to make a rain coat out of. Some Year 6 children came to help us and show us how to record our work on seesaw using the I-pads.

In computing we have learnt how to log on to laptops and how to log off safely. We also explored a little about the keyboard and explored the different keys and what they do.

Star Learner

A huge well done to **Pranav** for settling in to Cedar class so well in his first week! It is like he has always been here!

Little Wandle Reading Workshop

There will be a reading workshop for Year 1 parents on **Thursday 5th October** at 2.30pm in the hall.

Please try and go along if you can as reading and phonics are a huge part of Year 1 and there will be information on how you can support your child at home.
