

# Year 2

## Learning Letter

Ongar Place School, Addlestone, Surrey 01932 842785

Friday 29th September 2023

I can not believe we are already at the end of week 4. Time certainly is already flying. This week we have learnt all about amphibians. The homework that the children produced was fantastic and really helped with our classroom learning. Thank you for supporting them at home. It makes such a huge difference

### Christmas cards

I am very sorry to use the Christmas word so early on in the year but with only 87 days left to the big day, we are already beginning to think about it!

Today the children will be bringing back their Cauliflower Card designs. You can order wrapping paper, gift tags and gifts with your child's design on.

Follow the instruction on the sheet to make an order. If you do decide to make an order you **MUST** return the art work to us by **Friday 6th October**. The art work will be sent to Cauliflower Cards in order for them to print your orders.

### Computing

This week in computing we have continued to improve our speed and accuracy at logging into different devices. The children always find this very difficult to do at first but we are slowly getting quicker at logging in.

We have enjoyed computing this week as it is a chance to choose where we would like to learn. We had children on the carpet, children at desks and children in the book corner. It is great to see them becoming comfortable in making important learning decisions.

Next week is digital week. We will be focusing on different computing skills and becoming independent in some of the most important skills.

### Literacy

This week we are coming to the end of our learning around the book 'Eliot Midnight Superhero'

We have used the story in order to inspire our own story writing, featuring ourselves as the hero. I especially love the children's individual ideas of what makes them super. Amongst some of my favourites were acts of kindness, caring for animals and old ladies.

Today we have been busy making our book covers and will publish our first story for Year 2. We look forward to sharing them with you!

### Dates for your diary

#### Wednesday 11th October

Harvest Festival Assembly 2.30pm

We have been practising so hard and hope you can come along to celebrate with us. Non-perishable food items can be donated for the Salvation Army food bank.

**Monday 16th & Wednesday 18th October**  
Parents evening

### Sully

For wonderful creative story writing and adding his own unique touches to his work.
