Nursery Activities and Play

Due to unfortunate technical difficulties (a broken camera!) we have no photographs to share this week. We will make up for this with a bumper photo edition next week.

We have enjoyed reading 'Each, Peach, Pear, Plum' this week and talking about the different characters in the story. We especially enjoyed searching for sticks in the woods and using them to make wands like the wicked witch.

We have also been very interested in looking at signs of Autumn. We have collected fallen leaves and painted them to put on display in our classroom. We have also made our own spider webs after looking at the enormous one in our outside area.

Our book swap is outside the Nursery at drop off and pick up times. Please feel free to take a book or two to share with your child at home.

Next Week

Next week's book focus is ...

I'm not
cute!

Jonathan Allen

Top Tip

Try to regularly share books together with your child - listening to five stories a day will help your child's language development.
