Beginning the Learning Journey!!

We held a 'Little Wandle' workshop on Thursday. Thank you if you attended, if you were unable to attend and would like the slides from the presentation please contact Mrs Hall in the school office.

Grayson's mummy is our PTFA class representative and she has kindly set up a Facebook group for Chestnut Class (ongar place chestnut class 2023/24).

Our learning this week:

- We have been enjoying the beautiful weather this week. The children love building and constructing with the materials outside. This is excellent for their physical development, social interaction and helps to develop their imagination.

Focus on Learning

Next week the children will be drawing and painting self-portraits.
