

Highlights of the Week

This week in year 6 we have been focussing on our digital skills in many lessons. We have used word processing, learnt how to insert and manipulate tables, used publisher and even started to investigate how we can use Excel to present data. They have even attempted to create some artwork using the computers.

Issue No 5 Autumn Term
6th October 2023
01932 842785

In PSHE we have started to consider how stereotypes have been portrayed on television and on line. The children created posters to advertise a product to different groups (boys, girls or children). This led to a fantastic discussion about stereotyping in all aspects of life especially sport.

Information for Parents
