## Beginning the Learning Journey!!

I am sure that you will agree that the Harvest Festival Assembly was fantastic!

Our learning this week:

- We are encouraging the children to write their name on their masterpieces and creations, please encourage this at home too!
- The children have been introduced to the tricky word 'is' during 'Little Wandle'. If you see this word during story telling time, encourage your child to read it too! The 'Little Wandle' handwriting sheets sent home need to be completed, but do not need to be returned.
- In maths we have been playing counting board games. This not only helps the children's maths development but is great for turn taking and following simple rules.
- The children sketched a self-portrait and will begin to paint their drawings next week.

## Focus on Learning

*Next week the children will be cooking cheesy feet and chalking 'Funny Bones' pictures.*
