Learning Journey

The children did a great job in our harvest assembly on Wednesday. They sung their hearts out and made us proud. They were very excited to see lots of your faces. Thank you for coming along.

In Science this week, we talked about how the seasons change and went on an Autumn walk. The children spotted signs of Autumn like conkers, yellow, orange and brown leaves and some even spotted a squirrel!

In Art this week we explored warm colours and used corks to print and make Autumn trees.

Star Learner

A huge well done to **Scarlett** for fantastic singing in our harvest assembly!

Morning drop off

In the mornings, when the bell goes can you please drop children off at the gate to the front playground. An adult/ class teacher will greet them there and send them straight into class. Pick ups remain the same at the end of the day. Thank you.

Information for Parents

16th October and 18th October

Parents evenings

Half Term- Week beginning 23rd October 11, 2023

30th October- INSET DAY

The 'Show and Tell' group for next Friday is **Yellow group (Oaafi, Oaahi, Harlo, Willow, Lily- Marie and Rosie H).**

Lateness

We are noticing a lot of children arriving to school late these last few weeks. We start our learning and phonics at 9am every morning so the children who arrive late each day are missing out on their phonics and also disrupting the lesson for everyone else. Please arrive by 8.55 am each morning when the bell goes.
