

# Year 2 Learning Letter

Issue 6

Ongar Place School, Addlestone, Surrey O1932 842785

Friday 13th October 2023

## Harvest Assembly

What a wonderful assembly. The children did an amazing job. The audience were able to hear all of the words and songs very clearly! Thank you to everyone who managed to attend and donate to the food bank.

## Coming up next week

Next week we will be baking some carrot cakes. We are unable to fit all the children in on the same day. Everyone will get a turn at some point next week.

Parents Evening - I am really looking forward to catching up with you all next week.

## Literacy Traction Man is here!

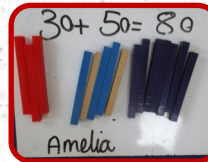

We have continued our Traction Man adventures. This week we have learnt all about conjunctions and how to use speech marks. Speech marks were a very tricky thing to learn. When reading at home see if you can spot speech marks!

For homework this week we are creating different characters to include within our own writing.

## Marvellous Maths

This week we have been focusing on addition and subtraction of numbers and have taken the time to use a lot of different manipulatives in order to support our learning and understanding.

## Show and Tell

It is wonderful that this week children have been so eagerly bringing in things to share. At school we love to celebrate interests and achievements outside of school. This week Isabella has shared some medieval coins.

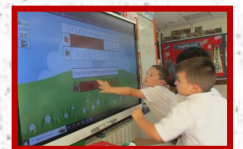

Evie has shared some special crystals. Leo, James and Barney proudly told us about being invested at Beavers.

## PSHE

This week we have been thinking about friendships and what we can do when we face disagreements with friends.

We completed a class poll to see if friends can disagree. It is important to remember we will always have disagreements with friends and even family.

## Dates for your diary

Monday 16th & Wednesday 18th October  
Parents evening  
Half term - W/B 23rd October  
Inset Day - Monday 30th October

**Zayd**

For his excellent maths skills and commitment to the TTRS tournament. Zayd scored 1,962 correct answers!
