

# Year 2

## Learning Letter

Ongar Place School, Addlestone, Surrey 01932 842785

Friday 20th October 2023

What a lovely final week of Autumn 1. Thank you to all parents and grandparents that came in for parents evening. It was so lovely to catch up and share all of our fantastic learning that we have completed this term. The children all have new personal targets to complete for Autumn 2. If anyone has any other worries or concerns please do not hesitate to contact me.

### Baking

This week we were able to get in the cookery room and make our carrot cakes. We practised lots of skills like grating, mixing and weighing. Thank you very much to Mrs Poulton who managed to bake with all 29 children. The children said they enjoyed the carrot cake. I hope you got to try some as well!

### Digital 5

This week we have been learning about how to have a healthy balance of screen time activities. For our last session this term we used devices to get active, to stay connected and to get creative. The children were unleashed with the camera and to my delight I had thousands of images, which made me smile at the end of a long week. Take a look at our selfie wall.

### Homework

You will be delighted that I am not setting any homework for half term but please keep up the reading and timestable rock stars. Half term is a great time to enjoy time as a family, playing games, baking and relaxing. I would love to see some photos of what you have all been up to and look forward to reading about it in your journals on the first Tuesday back.

### Accelerated Reader

The Accelerated Reader programme has been a huge hit! It has been lovely to hear children talking so passionately about reading and quizzing. Well done to everyone who has completed quizzes this week!
