Determination

We've made it to the end of the first half term! A huge well done to Maple class for such a brilliant start to the year. Their enthusiasm across the term has been commendable and I look forward to continuing the positive start after their well-deserved break. 😊

This week saw us say goodbye to the pool, with our last swim session of the year. Pool action returns in the Spring.

In science, we created actions for the water cycle - ask your child if they can remember the actions for each part!

Our Iron Man unit of work, in English, ends this week. The children have learnt so many authorial techniques across the term and were tasked to independently use these in their own imaginative writing. I am really looking forward to reading what they've written!

Our RE unit of work on covenants ended with the children reflecting on what the New Covenant means for Christians today.

It was lovely to meet so many of you at parents evening this week. Thank you for taking the time to come along. Hope you're all able to enjoy a bit of a breather over half term!

Important Messages

Forest School - This will be on a **Friday** and starts after half term, running from Friday 3rd November until Friday 1st December. A kit list came home with the children on Wednesday but I am also attaching a copy to this email. Please take the time to read this and ensure the children come to school dressed appropriately.

PE - Now swimming has stopped, PE will also be on a **Wednesday**, alongside our usual **Monday** slot. Please ensure PE kits are in school on these days.

TT Rockstars - In addition to any homework on SeeSaw, please encourage your child to spend time on TT Rockstars as this really helps support their learning of multiplication facts.

Reading - Please continue to support your child reading at home and **sign their reading record** so we can see they are reading regularly.
