

Highlights of the Week

In science we have been investigating pulse rates. The children have measured their resting heart rates and then timed how long they took to return to resting after exercise. It was quite challenging to measure accurately, so we tried using Fitbits and pulse recorders. We did not always get the results we expected but have drawn conclusions and used Excel to present our data in graphs.

Issue No 5 Autumn Term
20th October 2023
01932 842785

I have had several concerns raised about children messaging each other on WhatsApp and other social media platforms. Please remind your child to be kind and remember if they would not say things to someone directly, they should not be saying it online.

Information for Parents

Dates for the diary

- 23rd October - Half Term
- 30th October - INSET Day
- 1st - 3rd November - High Ashurst
- 9th November - Junior Citizen
- 14th November - Road to RIAT Workshop
- 20th November - Bikeability Week
- 11th December - Carol Service
- 13th December - Panto Trip
- 15th December - End of Term
