Nursery Activities and Play

We have enjoyed another exciting week in Willow class. We have been reading the story 'mine' and thinking about how we take turns and share.

Here are some photos of our learning this week.

Starting School

If your child was born between 1 September 2019 and 31 August 2020, they will be starting Reception class in September 2024. You need to apply for a school place by 15th January even if your child is currently attending Nursery as the transition into Primary school is not automatic. See the school website for details of our upcoming open mornings and our parent information evening.

Information for Families

Key adults

Each child in Willow class has a key person.

The key person is responsible for a small group of children and helps these children feel safe and cared for. They will record children's targets and developments and be a point of contact for parents. Attached is a list of the key groups so that you can see who your child's key person is.

Reminder

Please remember to label anything your child brings into Nursery, especially jumpers and cardigans. Sometimes children take them off during the day and forget to put them on their peg. It can be tricky matching the jumpers to the correct child.

Key Groups

Mrs Harbridge

Alina

Meadow

Harrison
