Continuing the Learning Journey!

I hope you had a lovely and restful half term break. Would you believe that we are already practising songs for our Nativity performance! A letter will go out today to inform you of the dates and the part your child will play in the show. Any questions please ask.

Our learning this week:

- In maths the children have been recognising numbers.
- We have been learning about Guy Fawkes and how to stay safe around fireworks.
- Mrs Mount has created a space station role-play area, which the children are really enjoying!

Focus on Learning

'Show and Tell' will be every Friday. Try to link this with our theme if possible (Festivals and Celebrations).
No toys or precious items.

Information for Families

Now the colder weather is creeping in please ensure your child has a coat, preferably with a hood so they can play outside, even in the rain.

We now need bottle tops for our creation station, send them in to us if you have any. 😊

Please remember to label cardigans and jumpers.

Many thanks for your continued support,
Mrs Brill and Mrs Mount.
