Addlestone, Surrey 01932 842785
Issue Number Eight
10th November 2023

Our Values: Teamwork, Honesty, Self-belief, Determination, Passion and Respect

Autumn Term

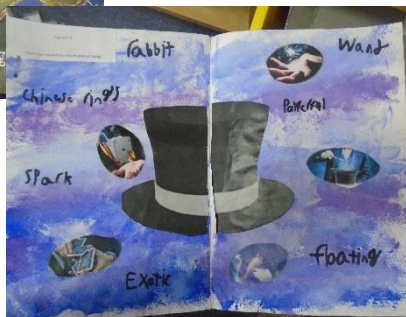

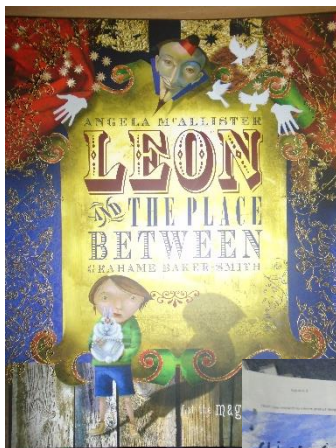

Assessment Week

This week the children completed their first set of Year 3 assessments. They had another STAR test to see progress made from the start of Year 3, and if their ranges changed. They had two maths papers: arithmetic and reasoning. Lastly, they had a writing assessment. Well done to all of the children for trying their best.

New Topics

We have made good progress towards our new units of learning. In English, we have been turning boring, simple sentences into amazingly expanded/detailed ones. We have included adjectives and prepositions. They all relate to our magical book Leon and the Place Between.

On the note of magic, we have started to develop our DT study pages. We will be making a pop-up element for the book we are reading in English.

STAR LEARNER

Star learner has been awarded to **Connor**. He transformed our very boring, simple sentences into to fabulous extended ones.
Well done, Connor

Important Messages

Home Learning

At parents evening, lots of feedback was given about seesaw learning. Therefore, I have ordered home learning books for each child. The children were spoken to Tuesday about the change and what is expected. The same deadlines as before apply- book given out Friday, expected in the following Thursday. The books should stay in good condition and presentable.

PE Days

Tuesday afternoon
Wednesday (Forest School)
Thursday morning
