

# Year One Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

24<sup>th</sup> November 2023

## Learning Journey

The children wrote some fantastic instructions this week for how to make a gingerbread man. They remembered the methods they used last week and wrote clear steps. The children are getting much better at remembering finger spaces when writing!

In DT we started exploring different joining methods to help prepare us for making our animal shelters next week. The children explored using different tools and techniques such as slotting, tying, taping, sticking, using split pins and folding. We will be starting these next week. Thank you to those who have bought a cardboard box in. Please feel free to bring in more as we still need some.

In Science, we looked at materials that were magnetic and those that aren't. The children enjoyed using magnets to test them and sort them into two groups.

## Star Learner

A huge well done to **Rosie B** for writing out her instructions so neatly and independently!

We are still waiting for some nativity costumes. These need to be bought in asap. If you have any questions please come and speak to Mrs Masey.

## Information for Parents
