Autumn Term

IMPORTANT CHANGE TO THE DIARY

Year 3 usually have Forest School on Wednesdays. For one time only, they will be going on Tuesday 28th, rather than the 29th. The remainder of their sessions will continue to be Wednesdays.

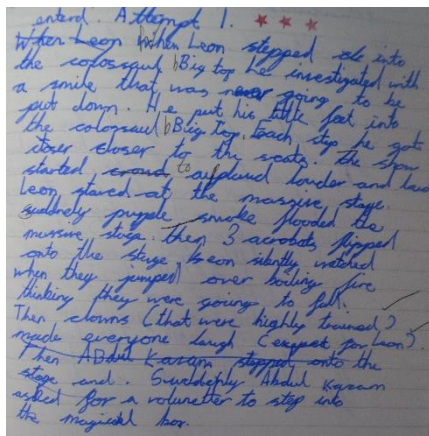

Science

The children are really enjoying their magnets and forces topic with Mrs Reed. This week, they were investigating which materials were magnetic.

English

In English we have been looking at different writing devices that will elevate our writing. Alongside reading the book, the children are writing their own version of it. It is lovely to see the children drafting and editing each paragraph step by step. By the end, they will have their own book written, with a front cover.

STAR LEARNER

Star learner has been awarded to **Jessica**. Jessica has been contributing to class discussion lots more and giving thoughtful opinions.
Well done, Jessica

Important Messages

Home Learning

Children have been given their homework books back. They have been marked and addressed in class. This week, they have Maths to complete. The same deadlines as before apply- book given out Friday, expected in the following Thursday. The books should stay in good condition and presentable. I have highlighted the week in pink -unless I have not had the child's book in/absent.
