

YEAR 6 LEARNING NEWS

Highlights of the Week

Time is flying by and there are only 3 weeks until the Christmas holidays.

Last week year 5 and 6 took part in the Road To Riat STEM challenge. The children worked in small groups to design and test different rocket models. The whole day was great fun, with the best rockets travelling over 4 metres.

This week some of the children have been taking part in Bikeability. They have been learning how to ride safely on the roads and importance of maintaining their bikes to a good standard.

Issue No 9 Autumn Term
24th November 2023
01932 842785

We have now finished studying the book 'Holes' and will be watching the film version before the end of term to compare it with the book.

Our art lessons we have started to think about painting landscapes. We have considered perspective and looked at some famous artists landscape paintings.
