## Continuing the Learning Journey!

We started our reading groups this week. The children were very enthusiastic and seem super excited at the thought of bringing the book home. Please look after the books as there is a charge for damaged or lost books.

## Our learning this week:

- In maths the children have been identifying and describing triangle and circles. They used them to print and create pictures.
- Little Wandle tricky words this week are: 'hers' 'no' and 'his'.
- The children listened to the story 'Alien's love Underpants' and went on to design their own aliens and underpants, play alien games and match the underwear!

## Focus on Learning

Today a book will be inside your child's bookbag for you to share with your child at home. These books will be changed every Friday. Some books do not have words, the focus for these books is to grow your child's vocabulary. There is also a yellow reading record. Inside this you can comment on your child's reading and we can let you know how they are getting on at school too.

## Information for Families

Thank you if you have brought in your Nativity show outfits. Today is the final day to send them in, please let me know if you are struggling to find something or awaiting delivery.

Library sessions take place weekly, please ensure books are in your child's bookbag ready to be changed.

Many thanks for your continued support,  
Mrs Brill and Mrs Mount.
