

Year 2

Learning Letter

Ongar Place School, Addlestone, Surrey O1932 842785

Friday 24th November 2023

Although I feel like this has been an extremely busy week, it has once again flown by. Nativity practice is in full swing and the children have done a tremendous job in learning their lines. We have completed some wonderful science, computing and RE work. Children in chess club have also completed their first term of chess and shared their achievements with us.

Computing- photography

This week we have continued with our computing unit on photography. The children have really enjoyed taking photos and learning about what makes a good photo.

This week we have learnt about the positioning, framing and the subject of the photos. We took lots of photos and spent time re-viewing them.

Positioning: Is it obvious what the main subject of the photograph is?

Framing: Have you included everything you wanted to?

Subject: Are you close enough that you can see the detail?

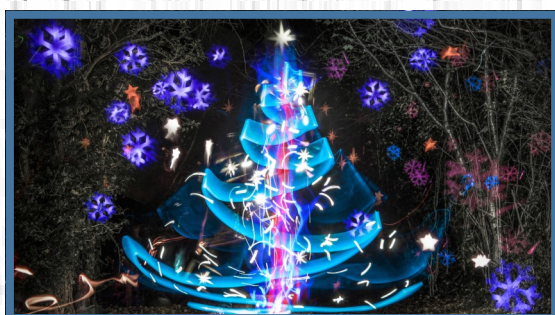

Homework this week

For homework this week, I will be running a photography competition.

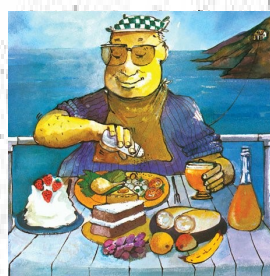

Theme: Winter or Christmas

Task: Children need to take a series of photos linked to the theme and submit their favourite one. You can print the photo at home or submit it via Seesaw. We will display the photos in a gallery exhibition and invite you in to see them.

I am excited to see what the children produce.

Literacy- Lighthouse Keepers Lunch

We have continued our learning using the book "The Lighthouse Keepers Lunch".

We have designed our own yucky sandwiches and written our own instructions on how to make them.

We have used time adverbials, imperative verbs and adverbs within our writing.

We have spent time reflecting on our writing progress this term and it is amazing to see how much progress the children have made.

Dates for your diary

PTFA Christmas shopping event

Friday 1st December

Nativity performances

Wednesday 6th & Thursday 7th December

PTFA Winter Wonderland

Friday 8th December

Panto Trip

Wednesday 13th December

Christmas Lunch and jumper Day

Thursday 14th December

Last day before Christmas & toy Friday -

Friday 15th December

Finish at 1.30

Brooke

For a wonderful scientific fact file all about Kangaroos.
