Happy Advent!

Today marks the first day of Advent and the children have been excitedly looking forward to the countdown to Christmas!

In Art this week, we started work on our self-portraits. The children were able to choose their favourite medium from those we've worked with this term and use these to express emotion.

In RE this week we learnt that the 3 main duties for a Sikh are prayer, work and charity. The children created tableaux of each of these in groups.

In maths, we have been deepening our understanding of multiplication, using both sharing and grouping strategies to help with this.

In English, we have been using fronted adverbials in our work, to give more detail about how, when or where something happened.
