

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School,
Addlestone, Surrey O1932 842785
Issue Number 13
8th December 2023

Our Values: Teamwork, Self-belief,
Honesty, Passion, Respect &
Determination

Happy Friday!

We're in full Christmas spirit here at Ongar!
It was lovely to see the KS1 Nativity earlier
in the week, which the children loved. I'm
looking forward to seeing many of you at the
carol concert on Monday. It's going to be a
lovely evening.

In English, we are coming to the end of our
Viking saga unit of work. The children were
introduced to a new character, Iduna. Ask
your child why her apples are so special!

In RE, the children worked in groups and
shared all we have learnt about Sikhism this
term. I was so impressed with everything
they've remembered!

In science, the children investigated how
distance affects the volume of sound. They
worked in groups and used a decimal meter
app to record their results.

Last Friday, we were able to enjoy a whole
class camp fire out in forest school. We even
sang a few carols!

This is the last learning letter of the year, so
I wanted to take the opportunity to thank
you all for your support, across this term. I
know it isn't always easy to squeeze in
reading, TT Rockstars, homework etc and I
appreciate the efforts you make to support
the children at home.

I wish you all a very Merry Christmas with
plenty of rest and a joyful New Year.

Miss Hale x
