Continuing the Learning Journey!

I would like to thank you all for the wonderful gifts at Christmas 😊

We have changed our role play area to an animal hospital and the children are enjoying taking care of the soft animal toys.

This week's learning...

- In Little Wandle we are recapping previous learning and learning new digraphs ee, ai, oo and the trigraph igh.
- In maths we are representing 0 to 5.
- We had a wonderful workshop from the company 'Perform'.
- In PE we are now introducing gymnastics. The children are making body shapes of crabs and bridges.

Focus on Learning

We have started our new topic 'Animals'. It's a very popular theme and the children are keen to talk about and find out about animals. Please link this to show and tell on Friday if possible (no toys please).

Information for Families

Lots of cardigans and t-shirts are getting mislaid. Please check your child's name is in the clothes your child brings home and swap back if necessary. We have a few spares so if you need more please ask.

If you have any spare time, have a DBS check (or willing to get one) and would like to help listen to groups of children read please let me know.

Many thanks for your continued support.

Mrs Brill and Mrs Mount.
