Nursery Activities and Play

Happy New Year and welcome to our new families this term.

We have been exploring different forms of transport in Nursery. We have been exploring the purposes of different vehicles and how they move.

We have also been using counting frames to help us count objects carefully.

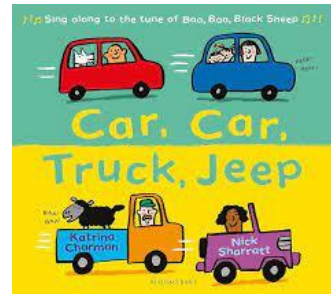

We received a visit from Erin at [Perform](#) on Wednesday. We had a great time exploring the wild west and using drama, dance and singing to help develop confidence, concentration and social skills.

Book Focus

In Willow Class, we are reading the book 'Car, Car, Truck, Jeep'. It is all about different types of transport.

Top Tip

Talk with your child and discuss their favourite modes of transport. How many different types can you spot on the way to school?

Information for Families

Spring term Coffee Morning

We will be holding our half termly coffee morning on Thursday 25th January at 9.15am. This will be a chance to meet other parents and ask any questions you might have about how children learn at Nursery.

Reminders

- Please make sure anything your child brings to Nursery is clearly labelled with their name.
- Ensure your child brings a bottle to school each day with water, rather than juice or squash.
- We are a nut-free school. Please do not include products containing nuts in your child's lunch box.
