## Continuing the Learning Journey!

It has been very quiet in Chestnut Class this week. There have been lots of absences due to different illnesses but hopefully next week our attendance will be fuller. I wish all the children a speedy recovery and hope to see them very soon!

This week's learning...

- In Little Wandle I have taught the new digraph 'or' and the children have been writing 'tricky words' you, pull and push.
- In maths we have been adding and subtracting 1 more.
- The children are using clay and the clay tools to make animal ornaments. Once dried they will be sent home.

## Focus on Learning

Little Wandle assessments will take place next week. I am continuing to read three times a week with each child. However, if these books are wordless then they are going to stay in school as we have so few. If your child is reading words then the book will continue to go home on a Friday.

## Information for Families

The weather is so changeable at the moment. Please ensure your child has a warm coat, clearly labelled.

Many thanks for your continued support.

Mrs Brill and Mrs Mount.
