

# Year One Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

19<sup>th</sup> January 2024

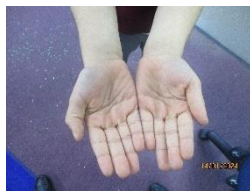

## Learning Journey

This week we have had digital week. The children have been using the laptops to record some of their work.

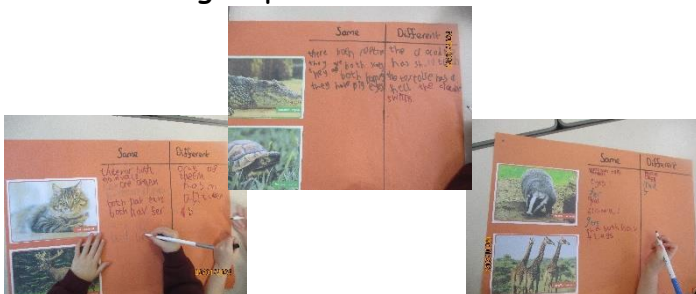

In English we talked about our dreams and the children created some fantastic pictures of a dream they once had using 'paint'.

In PSHE we are talking about how we can look after ourselves and keep ourselves clean. We did a little germ test but we used glitter instead. We had to wash our hands thoroughly to get all of the germs (glitter) off.

In Science we are looking at animals and exploring the different animal groups. We worked in pairs to compare how animals are similar and different, even if they are in the same animal group.

## Star Learner

A huge well done to for **Quinn** for her fantastic computer skills this week!

## Numbots

A huge well done to **Eden, Pranav and Quinn** who all achieved the Numbots challenge this week and have played Numbots at home for the most minutes this week! They should have all come home with their certificates.

## Information for Parents
