Nursery Activities and Play

We were very excited with the arrival of an interactive board in Willow class this week! This is going to be a super way to help us learn new things and we are really looking forward to using it.

We have continued to explore different forms of transport this week and have enjoyed singing along to the book 'Car, car, truck, jeep'.

Even though it has been cold this week, we have still been playing outside - we just had to wrap up very warmly.

Nursery Rhyme Focus

Next week we are going to be learning the Nursery Rhyme 'Down at the Station' and making the different sounds that trains can make.

Top Tip

Go for a walk together and look at different coloured cars. Can you name the colours of cars you see? Which coloured cars do you see the most of?

Information for Families

Spring term Coffee Morning

We will be holding our half termly coffee morning on Thursday 25th January at 9.15am. This will be a chance to meet other parents and ask any questions you might have about how children learn at Nursery.
