## Continuing the Learning Journey!

Thankfully it has been much busier in our class this week! The children are well and eager to continue their learning journey!

This week's learning...

- In Little Wandle new 'tricky words' MY and BY have been introduced.
- In maths we have been sequencing numbers.
- During PE the children were practising their balancing skills.
- We read 'Handa's Surprise' and the children used story props to act out their own story. They have sketched fruit and used their phonic skills to write down their favourite fruit.
- The clay animals are drying nicely, they just need to be painted and they'll be sent home.

## Focus on Learning

Little Wandle assessments will continue next week. I am continuing to read three times a week with each child. However, if these books are wordless then they are going to stay in school as we have so few. If your child is reading words then the book will continue to go home on a Friday.

## Information for Families

We are running low on small boxes, tubes etc for the 'Creation Station'. If you have any please send them our way!

Many thanks for your continued support.

Mrs Brill and Mrs Mount.
