

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School,
Addlestone, Surrey 01932 842785
26th January 2024

Our Values: Teamwork, Self-belief,
Honesty, Passion, Respect &
Determination

Happy Friday!

This week in English, we have written a newspaper article about the big Pok-a-tok game featured in our Mayan text, Rainplayer. As part of digital week, children have used computers to write the front page of a newspaper.

In maths, we have been using concrete resources to help consolidate our understanding of multiplication and moved on to division - dividing 2-digit numbers by a 1-digit number.

We continued to experiment with building circuits in science this week, investigating which materials are good conductors and which are insulators.

In history, we have analysed photos and videos of archaeological sites of ancient Mayan ruins, using reasoning to consider the purpose of some of these buildings.

As part of our PSHE unit on identifying and managing feelings, we talked about grief this week and how loss, in all its forms, can affect feelings and behaviours. I am always so proud of how well the children engage in these lessons, listening and sharing, with respect for each other.

Important Messages

Monday & Thursday
PE

Friday
Forest school

Letters were sent home this week, detailing how you can log-on to the children's accelerated reader accounts and see their progress. I encourage you all to do this as you continue to support their reading at home.

TT Rockstars! The expectation is that children log on and practice at least 3 times a week. We have made a TT Rockstars tracker display in the classroom to encourage children to practise regularly. Your support with this is very much appreciated!

Important dates

School finishes for half term 09.02.24

School returns 19.02.24

Parents evening

19.02.24

21.02.24

Cross Country @ Notre Dame 16.03.24
