

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School,
Addlestone, Surrey O1932 842785
02.02.24

Our Values: Teamwork, Self-belief,
Honesty, Passion, Respect &
Determination

Happy Friday!

It's assessment week here at Ongar and the children have undertaken an independent write, some maths papers and taken a Star test on accelerated reader. I appreciate they are all feeling tired as we approach the end of a busy term, but they've applied themselves really well across the week.

In maths this week, we have been learning about division of 3-digit numbers by 1-digit numbers. Children have been using concrete resources to support their understanding around division where necessary.

We have worked in groups across many of our foundation subjects this week. Groups researched different Ancient Mayan accomplishments and shared their findings with the class, allowing children to reflect on which of these they felt was the most important.

In RE, we looked at the Beatitudes, which sum up Jesus' teaching about what it means to live as a child of God's kingdom. Children considered each of these and what they mean for Christians today.

In PE, the children were practising their bowling technique under the stewardship of our Surrey cricket coach, Ed. They all really enjoyed this week's session - "Starfish, catapult, throw!"

Important Messages

Monday & Thursday
PE

Today was our last forest school session of the year. I know the children are disappointed as they all love it...It will return when they are in Year 5.

TT Rockstars. The expectation is that children log on and practice at least 3 times a week. It was great to see that so many children have done this recently. Keep up the good work!

Spellings - My apologies for children not having their Friday quiz last week. The spellings have carried over to this week.

Important dates

School finishes for half term 09.02.24

School returns 19.02.24

Parents evening

19.02.24

21.02.24
