

YEAR 6 LEARNING NEWS

Highlights of the Week

This week has been an assessment week and the children have been doing a range of tests. Yet again they have tackled them confidently and I will be able to share their results with you at parents evening.

As part of our science we have been looking at how and why shadows are formed. The children have put on shadow puppet shows of the arguments about light between Hooke and Newton.

On Thursday we had a visitor, Amelie, who introduced us to the PenPal Project. We are going to be writing letters to some children in Cameroon. We found out about their school which has over 2000 pupils with 90 children in each class. Our children are really excited about taking part in this project.

Issue No 4 Spring Term
2nd February 2024
01932 842785

If you have any old newspapers that we can use for an art project, please could you send them into school. Thank you.

PLEASE REMIND YOUR CHILDREN TO BE KIND TO EACH OTHER - ESPECIALLY WHEN SENDING MESSAGES ON WHATSAPP.
