

Year 2

Learning Letter

Ongar Place School, Addlestone, Surrey O1932 842785

Friday 9th February 2024

Today marks half way through Year 2! We have had a wonderful week finishing off all our units of work, ready to start our new ones after half term. We have finished our sewing, book making project, history, science, RE and computing!
What a **super** week!

Amelia-Rose

For an excellent explanation of why we use materials for different purposes.

Today your children will bring home their completed sewing projects. We created a new display in the cloakroom; if you would like to, you are welcome to pop in after school to take a look!

I wish you all a lovely, restful half term!
