## Learning Journey

Welcome back, we hope you all had a lovely half term. The children definitely enjoyed themselves and were ready to learn again this week.

On Monday, we found a dog bowl and some dog treats in our classroom. These did not belong to Amber, we found out they belonged to 'Pig' the Pug. We've been reading the story about Pig the Pug in class which is all about friendships and the importance of being kind to each other. Pig was not a very kind dog to begin with and didn't like to share but he soon learnt his lesson and changed his ways. The children wrote some lovely sentences describing the characters in the story.

In PSHE we are beginning to learn about money. We discussed what we spend money on and the different forms it comes in and how to keep it safe. The children then found some items around the class and had to decide the best forms of money to use to pay for it (coins, notes, card, cheques, bank transfer, etc). It would be great if when you are out shopping with your children if you could explain what method you will use to pay for it and why.

In Computing the children have really enjoyed using the Beebots and giving them instructions to follow out. They had to direct them to the different shapes.

## Star Learner

A huge well done to Ryan  
for his fantastic  
subtracting in maths this  
week!

## Forest School

We are very sorry we had to cancel forest school this week due to the weather. Mrs Bennett was very much looking forward to having our class outside with her but we have to put the children's safety first. It will resume next Wednesday and the last session will now be on 27<sup>th</sup> March.
