Nursery Activities and Play

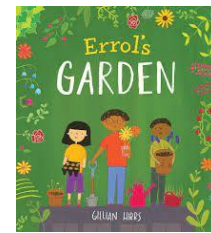

This week we have been thinking about different types of gardens and the plants that grow in them. We read the story Errol's Garden about a boy who created a garden on the roof of his block of flats. We had great fun investigating real flowers and plants in the tuff tray.

It would be great if children were able to bring in some pictures of their gardens or plants at home to talk about and share with friends.

Book Focus

Next week we will continue thinking about gardens and reading Errol's Garden.

Top Tip

Visit a garden centre and look at the different plants. What colours do you see? Do you notice any plants that feel or smell different?

Information for Families

World Book Day

We will be celebrating World Book Day on Friday 8th March. Children are welcome to come in dressed as a book character. The Book Fair will also be in school from 3.20pm after school from Monday 4th - Friday 8th March.

Family Learning week

The week commencing 18th March is our 'Family Learning' week in school. Look out for the separate letter with details of this. It is always a lovely opportunity for the children to share their learning with you.

Parent meetings

We will be holding parent meetings on the afternoon of Tuesday 26th March. This is a chance to talk to your child's key worker about their progress and development. You will be able to book an appointment on Scopay from Monday 26th February.
