8th March 2024

Learning Journey

The children had great fun this week exploring the musical instruments. We listened to the piece of music called 'Four Seasons' by Vivaldi. The children then worked in groups to create their own piece of music for Spring, Summer, Autumn and Winter. We had some great conductors in class too!

We have also been exploring the weather in Dance. The children worked in groups to create a dance to show the different types of weather.

In RE we had a look at some Jewish artefacts as we have been learning all about Shabbat.

Star Learner

A huge well done to
Molly H for her
fantastic ideas in dance
this week!

Morning drop off

Please can I remind you to take your child to the office if they arrive after 8.55am. If you see the gates are closed please do not open them and bring your child to the classroom door.
