Continuing the Learning Journey!

We have planted beans and seeds in the classroom. The children are fascinated with the speed in which things grow, however slightly disappointed that we didn't have magic beans like the ones in the Jack and the Beanstalk story!

This week's learning...

- In Little Wandle the children wrote a 7 word sentence.
- In maths we have been learning the difference between 2D and 3D shapes.

Focus on Learning

Family Learning Focus:

- Tricky word activities
- Little Wandle session
- PSED book sharing
- Maths - Patterns

Information for Families
