

# Ongar Place Nursery News

Ongar Place Primary School, Addlestone, Surrey, 01932 842785

15<sup>th</sup> March 2024

## Nursery Activities and Play

We were so excited this week when we noticed that our beanstalks had begun to grow, just like Jasper's in the book we have been reading.

In our PE session we pretended to be beanstalks, stretching as we grew and making long, thin shapes.

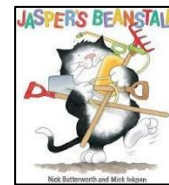

We have been working together to create some super models using the big blocks. We have made dens, paths, bridges and castles.

We were also happy to be visited by some of the new families that will be joining us after Easter. We are sure that our new children will settle quickly and enjoy joining in playing with us.

## Book Focus

Next week we will continue to focus on the book Jasper's Beanstalk. We will focus on the different verbs and trying to create actions for them.

## Information for Families

### Family Learning week

We are looking forward to seeing lots of you next week for our Family Learning sessions. Due to space, we are only able to accommodate one adult for each child.

### Parent meetings

We will be holding parent meetings on the afternoon of Tuesday 26<sup>th</sup> March. This is a chance to talk to your child's key worker about their progress and development. If you haven't already, please book an appointment on Scopay.

### End of term

A reminder that the last day of term for Nursery children is Monday 25<sup>th</sup> March. Children return on Monday 15<sup>th</sup> March for the Summer term (please note this is an INSET day for the rest of the school).

### Swimming

Children who are due to start school in September will be able to have swimming lessons next term. If you would like your child to take part, please return the form that your child has brought home and make payment via Scopay. Children will need to be toilet trained to take part and will not be able to wear swim nappies. Confirmation of session days will be sent next week.
